17.200 Scope of subpart.

This subpart prescribes policies and procedures for the use of *option solicitation* provisions and *contract clauses*. Except as provided in agency regulations, this subpart does not apply to contracts for (a) services involving the *construction*, alteration, or repair (including dredging, excavating, and painting) of buildings, bridges, roads, or other kinds of real property; (b) *architect-engineer services*; and (c) research and development services. However, it does not preclude the use of *options* in those contracts.
