29.401-3 Federal, State, and local taxes.

(a) Except as provided in paragraph (b) of this section, insert the clause at <u>52.229-3</u>, Federal, State, and Local Taxes, in *solicitations* and contracts if-

(1) The contract is to be performed wholly or partly in the *United States* or its *outlying areas;*

(2) A fixed-price contract is contemplated; and

(3) The contract is expected to exceed the *simplified acquisition threshold*.

(b) In a noncompetitive contract that meets all the conditions in paragraph (a) of this section, the *contracting officer may* insert the clause at 52.229-4, Federal, State, and Local Taxes (State and Local Adjustments), instead of the clause at 52.229-3, if the price would otherwise include an inappropriate contingency for potential postaward change(s) in State or local taxes.
