(6) Contracts using the *HUBZone* price evaluation preference to award to a *HUBZone* small business concern unless the concern waived the evaluation preference.

(d) *Independent contractors*. An independent contractor *shall* be considered a subcontractor.

(e) *Limitations on subcontracting*. By submission of an *offer* and execution of a contract, the Contractor agrees that in performance of a contract assigned a North American Industry

Classification System (NAICS) code for—

(1) Services (except *construction*), it will not pay more than 50 percent of the amount paid by the Government for contract performance to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 85 percent subcontract amount that cannot be exceeded; or

(4) *Construction* by special trade contractors, it will not pay more than 75 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities.
