Subpart 232.1 - FINANCING FOR OTHER THAN A COMMERCIAL PURCHASE

Parent topic: Part 232 - CONTRACT FINANCING

232.102 Description of contract financing methods.

(e)(2) Progress payments based on percentage or stage of completion are authorized only for contracts for construction (as defined in FAR 36.102), shipbuilding, and ship conversion, alteration, or repair. However, percentage or stage of completion methods of measuring contractor performance may be used for performance-based payments in accordance with FAR Subpart 32.10.

232.102-70 Provisional delivery payments.

- (a) The contracting officer may establish provisional delivery payments to pay contractors for the costs of supplies and services delivered to and accepted by the Government under the following contract actions, if undefinitized:
- (1) Letter contracts contemplating a fixed-price contract.
- (2) Orders under basic ordering agreements.
- (3) Spares provisioning documents annexed to contracts.
- (4) Unpriced equitable adjustments on fixed-price contracts.
- (5) Orders under indefinite-delivery contracts.
- (b) Provisional delivery payments shall be—
- (1) Used sparingly;
- (2) Priced conservatively; and
- (3) Reduced by liquidating previous progress payments in accordance with the Progress Payments clause.
- (c) Provisional delivery payments shall not—
- (1) Include profit;
- (2) Exceed funds obligated for the undefinitized contract action; or
- (3) Influence the definitized contract price.

232.104 Providing contract financing.

For fixed-price contracts with a period of performance in excess of a year that meet the dollar thresholds established in FAR 32.104(d), and for solicitations expected to result in such contracts, in lieu of the requirement at FAR 32.104(d)(1)(ii) for the contractor to demonstrate actual financial need or the unavailability of private financing, DoD has determined that—

- (1) The use of customary contract financing (see FAR 32.113), other than loan guarantees and advance payments, is in DoD's best interest; and
- (2) Further justification of its use in individual acquisitions is unnecessary.
