## **242.002 Interagency agreements.**

(b)(i) DoD requires reimbursement, at a rate set by the Under Secretary of Defense (Comptroller/Chief Financial Officer), from non-DoD organizations, except for—

(A) Quality assurance, contract administration, and audit services provided under a no-charge reciprocal agreement;

(B) Services performed under subcontracts awarded by the Small Business Administration under FAR Subpart 19.8; and

(C) Quality assurance performed for the Canadian Department of National Defence and pricing services performed for Public Works and Government Services Canada (PWGSC), operating as Public Services and Procurement Canada (PSPC).

(ii) Departments and agencies may request an exception from the reimbursement policy in paragraph (b)(i) of this section from the Under Secretary of Defense (Comptroller/Chief Financial Officer). A request must show that an exception is in the best interest of the Government.

(iii) Departments and agencies must pay for services performed by non-DoD activities, foreign governments, or international organizations, unless otherwise provided by reciprocal agreements.

(S-70)(i) Foreign governments and international organizations may request contract administration services on their direct purchases from U.S. producers. Direct purchase is the purchase of defense supplies in the United States through commercial channels for use by the foreign government or international organization.

(ii) PWGSC, operating as PSPC, is permitted to submit its requests for contract administration services directly to the cognizant contract administration office.

(iii) Other foreign governments (including Canadian government organizations other than PSPC and international organizations) send their requests for contract administration services to the DoD Central Control Point (CCP) at the Headquarters, Defense Contract Management Agency, International and Federal Business Team. Contract administration offices provide services only upon request from the CCP. The CCP shall follow the procedures at PGI 242.002 (S-70)(iii).

(November 09, 1999)

## **Subpart 242.2 - CONTRACT ADMINISTRATION SERVICES**

### **242.200 RESERVED**

#### **242.200-70 Scope of subpart.**

This subpart does not address the contract administration role of a contracting officer's representative (see [201.602](#) ).

#### **242.202 Assignment of contract administration.**

(a)(i) DoD activities shall not retain any contract for administration that requires performance of any contract administration function at or near contractor facilities, except contracts for—

(A) The National Security Agency;

(B) Research and development with universities;

(C) Flight training;

(D) Management and professional support services;

(E) Mapping, charting, and geodesy services;

(F) Base, post, camp, and station purchases;

(G) Operation or maintenance of, or installation of equipment at, radar or communication network sites;

(H) Communications services;

(I) Installation, operation, and maintenance of space-track sensors and relays;

(J) Dependents Medicare program contracts;

(K) Stevedoring contracts;

(L) Construction and maintenance of military and civil public works, including harbors, docks, port facilities, military housing, development of recreational facilities, water resources, flood control, and public utilities;

(N) Airlift and sealift services (Air Mobility Command and Military Sealift Command may perform contract administration services at contractor locations involved solely in performance of airlift or sealift contracts);

(O) Subsistence supplies;

However, the Defense Contract Management Agency (DCMA) shall, upon request of the military department, and subject to prior agreement, perform contract administration services on a military installation.

(iii) DCMA shall provide preaward survey assistance for post, camp, and station work performed on a military installation. The contracting office and the DCMA preaward survey monitor should jointly determine the scope of the survey and individual responsibilities.

(iv) To avoid duplication, contracting offices shall not locate their personnel at contractor facilities, except—

(A) In support of contracts retained for administration in accordance with paragraph (a)(i) of this section; or

An example is a situation where the contractor's work site is on a military base and a base organization is asked to provide support. Before formally sending the request, coordinate with the office concerned to ensure that resources are available for, and capable of, providing the support.

(B) When requesting support on a subcontract that includes foreign military sale (FMS) requirements, the contract administration office shall—

(1) Mark “FMS Requirement” on the face of the documents; and

(a) Defense Contract Management Agency administrative contracting officers are authorized to negotiate the settlement of direct and indirect costs for a specific contract, task order, or delivery order to be closed in advance of the determination of final direct costs and indirect rates set forth in FAR 42.705, regardless of the dollar value or percentage of unsettled direct or indirect costs allocable to the contract, task order, or delivery order.

(2) In lieu of the thresholds at FAR 42.708(a)(2)(i) and (ii), the amount of unsettled direct costs and indirect costs to be allocated to the contract, task order, or delivery order will be considered relatively insignificant when the total unsettled direct costs and indirect costs to be allocated to any one contract, task order, or delivery order do not exceed \$2 million, regardless of the total contract, task order, or delivery order amount.

  - (B) Develop a production surveillance plan based on the risk level determined during a risk assessment;
  - (C) Modify the production surveillance plan to incorporate any special surveillance requirements for individual contracts, including any requirements identified by the contracting officer; and

### **242.1203 Processing agreements.**

The responsible contracting officer shall process and execute novation and change-of-name agreements in accordance with the procedures at PGI [242.1203](#) .

### **242.1204 Applicability of novation agreements.**

(i) When a novation agreement is required and the transferee intends to incur restructuring costs as defined at [231.205-70](#) , the cognizant contracting officer shall include the following provision as paragraph (b)(7) of the novation agreement instead of the paragraph (b)(7) provided in the sample format at FAR 42.1204(i):

“(7)(i) Except as set forth in subparagraph (7)(ii) below, the Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contracts.

(ii) The Government recognizes that restructuring by the Transferee incidental to the acquisition/merger may be in the best interests of the Government. Restructuring costs that are allowable under Part 31 of the Federal Acquisition Regulation (FAR) or Part 231 of the Defense Federal Acquisition Regulation Supplement (DFARS) may be reimbursed under flexibly-priced novated contracts, provided the Transferee demonstrates that the restructuring will reduce overall costs to the Department of Defense (DoD) (and to the National Aeronautics and Space Administration (NASA), where there is a mix of DoD and NASA contracts), and the requirements included in DFARS 231.205-70 are met. Restructuring costs shall not be allowed on novated contracts unless there is an audit of the restructuring proposal; a determination by the contracting officer of overall reduced costs to DoD/NASA; and an Advance Agreement setting forth a cumulative cost ceiling for restructuring projects and the period to which such costs shall be assigned.”

## **Subpart 242.14 - TRAFFIC AND TRANSPORTATION MANAGEMENT**

## **Subpart 242.15 - CONTRACTOR PERFORMANCE INFORMATION**

### **242.1502 Policy.**

(g) Past performance evaluations in the Contractor Performance Assessment Reporting System—

## **Subpart 242.70 - CONTRACTOR BUSINESS SYSTEMS**

### **242.7000 Contractor business system deficiencies.**

(a) *Definitions.* As used in this subpart—

“Acceptable contractor business systems” means contractor business systems that comply with the terms and conditions of the applicable business system clauses listed in the definition of “contractor business systems” in this section.

*Contractor business systems* means—

- (i) Accounting system, if the contract includes the clause at 252.242-7006, Accounting System Administration;
- (ii) Earned value management system, if the contract includes the clause at 252.234-7002, Earned Value Management System;
- (iii) Estimating system, if the contract includes the clause at 252.215-7002, Cost Estimating System Requirements;
- (iv) Material management and accounting system, if the contract includes the clause at 252.242-7004, Material Management and Accounting System;
- (v) Property management system, if the contract includes the clause at 252.245-7003, Contractor Property Management System Administration; and
- (vi) Purchasing system, if the contract includes the clause at 252.244-7001, Contractor Purchasing System Administration.

“Covered contract” means a contract that is subject to the Cost Accounting Standards under 41 U.S.C. chapter 15, as implemented in regulations found at 48 CFR 9903.201-1 (10 U.S.C. 3841 note prec., as amended by section 816 of Pub. L. 112-81).

(b) *Determination to withhold payments.* If the contracting officer makes a final determination to disapprove a contractor’s business system in accordance with the clause at 252.242-7005 , Contractor Business Systems, the contracting officer shall—

(1) In accordance with agency procedures, identify one or more covered contracts containing the clause at 252.242-7005 from which payments will be withheld. When identifying the covered contracts from which to withhold payments, the contracting officer shall ensure that the total amount of payment withholding under 252.242-7005 does not exceed 10 percent of progress payments, performance-based payments, and interim payments under cost-reimbursement, labor-hour, and time-and-materials contracts billed under each of the identified covered contracts. Similarly, the contracting officer shall ensure that the total amount of payment withholding under the clause at 252.242-7005 for each business system does not exceed 5 percent of progress payments, performance-based payments, and interim payments under cost-reimbursement, labor-hour, and time-and-materials contracts billed under each of the identified covered contracts. The contracting officer has the sole discretion to identify the covered contracts from which to withhold payments.

(2) Promptly notify the contractor, in writing, of the contracting officer’s determination to implement payment withholding in accordance with the clause at 252.242-7005. The notice of payment withholding shall be included in the contracting officer’s written final determination for the contractor business system and shall inform the contractor that—

- (i) Payments shall be withheld from the contract or contracts identified in the written determination in accordance with the clause at 252.242-7005, until the contracting officer determines that there are no remaining material weaknesses; and
- (ii) The contracting officer reserves the right to take other actions within the terms and conditions of the contract.

(3) Provide a copy of the determination to all contracting officers administering the selected contracts from which payments will be withheld. The contracting officer shall also provide a copy of the determination to the auditor; payment office; affected contracting officers at the buying activities; and cognizant contracting officers in contract administration activities.

(c) *Monitoring contractor's corrective action.* The contracting officer, in consultation with the auditor or functional specialist, shall monitor the contractor's progress in correcting the weaknesses. The contracting officer shall notify the contractor of any decision to decrease or increase the amount of payment withholding in accordance with the clause at 252.242-7005.

(d) *Correction of significant deficiencies.*

(1) If the contractor notifies the contracting officer that the contractor has corrected the material weaknesses, the contracting officer shall request the auditor or functional specialist to review the correction to verify that the weaknesses have been corrected. If, after receipt of verification, the contracting officer determines that the contractor has corrected all material weaknesses as directed by the contracting officer's final determination, the contracting officer shall discontinue the withholding of payments, release any payments previously withheld, and approve the system, unless other material weaknesses remain.

(2) Prior to the receipt of verification, the contracting officer may discontinue withholding payments pending receipt of verification, and release any payments previously withheld, if the contractor submits evidence that the material weaknesses have been corrected, and the contracting officer, in consultation with the auditor or functional specialist, determines that there is a reasonable expectation that the corrective actions have been implemented and are expected to correct the material weaknesses.

(3) Within 90 days of receipt of the contractor notification that the contractor has corrected the material weaknesses, the contracting officer shall—

(i) Make a determination that—

(A) The contractor has corrected all material weaknesses as directed by the contracting officer's final determination in accordance with paragraph (d)(1) of this section;

(B) There is a reasonable expectation that the corrective actions have been implemented in accordance with paragraph (d)(2) of this section; or

(C) The contractor has not corrected all material weaknesses as directed by the contracting officer's final determination in accordance with paragraph (d)(1) of this section, or there is not a reasonable expectation that the corrective actions have been implemented in accordance with paragraph (d)(2) of this section; or

(ii) Reduce withholding directly related to the material weaknesses covered under the corrective action plan by at least 50 percent of the amount being withheld from progress payments and performance-based payments, and direct the contractor, in writing, to reduce the percentage withheld on interim cost vouchers by at least 50 percent, until the contracting officer makes a determination in accordance with paragraph (d)(3)(i) of this section.

interim cost vouchers to the percentage initially withheld, until the contracting officer determines that the contractor has corrected all material weaknesses as directed by the contracting officer's final determination.

## **Subpart 242.72 - CONTRACTOR MATERIAL MANAGEMENT AND ACCOUNTING SYSTEM**

### **242.7200 Scope of subpart.**

(a) This subpart provides policies, procedures, and standards for use in the evaluation of a

contractor's material management and accounting system (MMAS).

(b) The policies, procedures, and standards in this subpart—

(1) Apply only when the contractor has contracts exceeding the simplified acquisition threshold that are not for the acquisition of commercial products or commercial services and are either—

(i) Cost-reimbursement contracts; or

(ii) Fixed-price contracts with progress payments made on the basis of costs incurred by the contractor as work progresses under the contract; and

(2) Do not apply to small businesses, educational institutions, or nonprofit organizations.

## **242.7201 Definitions.**

As used in this subpart—

“Acceptable material management and accounting system” means a material management and accounting system that generally complies with the system criteria in paragraph (d) of the clause at 252.242-7004 , Material Management and Accounting System.

“Material management and accounting system (MMAS)” means the contractor’s system or systems for planning, controlling, and accounting for the acquisition, use, issuing, and disposition of material. Material management and accounting systems may be manual or automated. They may be stand-alone systems, or they may be integrated with planning, engineering, estimating, purchasing, inventory, accounting, or other systems.

“Valid time-phased requirements” means material that is—

(1) Needed to fulfill the production plan, including reasonable quantities for scrap, shrinkage, yield, etc.; and

(2) Charged or billed to contracts or other cost objectives in a manner consistent with the need to fulfill the production plan.

## **242.7202 Policy.**

(a) DoD policy is for its contractors to have an MMAS that conforms to the standards in paragraph (d) of the clause at 252.242-7004 , Material Management and Accounting System, so that the system—

(1) Reasonably forecasts material requirements;

(2) Ensures the costs of purchased and fabricated material charged or allocated to a contract are based on valid time-phased requirements; and

(3) Maintains a consistent, equitable, and unbiased logic for costing of material transactions.

(b) The cognizant contracting officer, in consultation with the auditor and functional specialist, if

appropriate, shall—

(1) Determine the acceptability of the contractor's MMAS and approve or disapprove the system; and

(2) Pursue correction of any weaknesses or deficiencies.

(c) In evaluating the acceptability of the contractor's MMAS, the contracting officer, in consultation with the auditor and functional specialist, if appropriate, shall determine whether the contractor's MMAS complies with the system criteria for an acceptable MMAS as prescribed in the clause at [252.242-7004](#), Material Management and Accounting System.

## **242.7203 Review procedures.**

(a) *Criteria for conducting reviews.* Conduct an MMAS review when—

(1) A contractor has \$40 million of qualifying sales to the Government during the contractor's preceding fiscal year; and

(b) *Qualifying sales.* Qualifying sales are sales for which certified cost or pricing data were required under 10 U.S.C. 3702, as implemented in FAR 15.403, or that are contracts priced on other than a firm-fixed-price or fixed-price with economic price adjustment basis. Sales include prime contracts, subcontracts, and modifications to such contracts and subcontracts.

(c) *Disposition of findings—*

(1) *Reporting of findings.* The auditor or functional specialist shall document findings and recommendations in a report to the contracting officer. If the auditor or functional specialist identifies any material weakness, the report shall describe the weaknesses or deficiencies in sufficient detail to allow the contracting officer to understand the weaknesses or deficiencies.

(2) *Initial determination.*

(i) The contracting officer shall review findings and recommendations and, if there are no material weaknesses, shall promptly notify the contractor, in writing, that the contractor's MMAS is acceptable and approved; or

(ii) If the contracting officer finds that there are one or more <http://www.acq.osd.mil/dpap/dars/dfars/html/current/252242.htm#252.242-7004> material weaknesses due to the contractor's failure to meet one or more of the MMAS system criteria in the clause at [252.242-7004](#), the contracting officer shall—

(B) Request the contractor to respond, in writing, to the initial determination within 30 days; and

(C) Promptly evaluate the contractor's response to the initial determination in consultation with the auditor or functional specialist and make a final determination (see PGI 242.7203(c)(2)).

(3) *Final determination.*

(i) The ACO shall make a final determination and notify the contractor that—

(A) The contractor's MMAS is acceptable and approved, and no deficiencies remain; or

(B) Material weaknesses remain. The notice shall identify any remaining material weaknesses and indicate the adequacy of any proposed or completed corrective action. The contracting officer shall—

(3) Withhold payments in accordance with the clause at 252.242-7005 , Contractor Business Systems, if the clause is included in the contract.

(ii) Follow the procedures relating to monitoring a contractor's corrective action and the correction of material weaknesses in PGI 242.7203 (c)(3) .
