5605.207 Preparation and Transmittal of Synopses.

(a)

- (i) Contracting offices must use the Government Point of Entry (GPE) at <u>beta.SAM</u> to submit synopses to the maximum extent possible.
- (ii) When release of government controlled technical data is required in a solicitation, the synopsis will include a statement for potential offerors to identify whether or not they are foreign owned, controlled, or influenced companies.
