

1316.603-2 Application.

- (a) With the written approval from the authorized designee in CAM 1301.70, in extreme cases, the contracting officer may authorize an additional period for contract definitization.
- (b) If, after exhausting all reasonable efforts, the contracting officer and the contractor cannot negotiate a definitive contract because of failure to reach agreement as to price or fee, the contracting officer may determine a reasonable price or fee with approval from the authority designated in CAM 1301.70.
