Subpart 2834.0 - General

2834.002 Policy.

The Small Business and Federal Procurement Competition Enhancement Act of 1984 allows an executive agency to establish a dollar threshold for the designation of a major system, in accordance with Public Law 98-577. Dollar thresholds for a major system under OMB Circular A-109 are designated in this section.

- (a) *Major automated information system.* Within DOJ, a major automated information system is one whose life-cycle cost is in excess of \$100 million.
- (b) *Major real property system.*
 - (1) By purchase, when the assessed value of the property exceeds \$60 million.
 - (2) By lease, when the annual rental charges, including basic services (*e.g.*, cleaning, guards, maintenance), exceed \$1.8 million.
 - (3) By transfer from another agency at no cost when the assessed value of the property exceeds \$12 million.
- (c) *Research and development (R&D) system.* Any R&D activity expected to exceed \$500,000 for the R&D phase is subject to OMB Circular A-109, unless exempted by the HCA or designee under paragraph (e) of this section.
- (d) *Any other system or activity.* The HCA or designee responsible for the system may designate any system or activity as a Major System under OMB Circular A-109, *e.g.*, selected systems designed to support more than one principal organizational unit.
- (e) *Exemption.* The CAO, upon recommendation by the HCA or designee responsible for the system, may determine that, because of the routine nature of the acquisition, the system (*e.g.*, an

information system utilizing only off-the-shelf hardware or software) will be exempt from the OMB Circular A-109 process, even where by virtue of the life cycle costs it would otherwise be identified as "major" in response to OMB Circular A-109.

2834.003 Responsibilities.

- (a) The SPE is the agency head for the purposes of FAR 34.003(a).
- (b) The CAO is the agency head for the purposes of FAR 34.003(c).

2834.005 General requirements.

2834.005-6 Full production.

The CAO is the agency head for the purposes of FAR 34.005-6.
