

6.305-90 Oversight program.

The oversight required by Defense Pricing and Contracting (DPC) in response to GAO report GAO-14-304, "Federal Contracting: Noncompetitive Contracts Based on Urgency Need Additional Oversight" dated March 26, 2014, is:

- (a) HCAs shall monitor FPDS-NG data monthly for compliance with justification and approval (J&A) signature requirements and posting timelines for awards using the unusual and compelling urgency exception. The FPDS-NG data elements Extent Competed and Reason Not Competed and the FPDS code URG will be used in reporting.
- (b) HCAs shall compile a quarterly report of the results of the monthly data collected as required in 6.305-90(a). Reports shall be submitted to the DLA Acquisition Operations

Division by the 5th working day after the end of the quarter. The report must include the following information:

- (1) FPDS-NG data elements: Solicitation number, contract number, original contract award dollarvalue (excluding options), award date, modification number, modification's dollar value increase, and award date;
- (2) Period of performance/estimated completion date; J&A approval authority's name, title, and signature date; and J&A posting date.
- (3) Identification of all contract actions not in compliance with required J&A approval levels and posting timeframes and corrective action.

- (c) The DLA Acquisition Operations Division will prepare an enterprise summary for the DLA Acquisition Director by the 10th working day after the end of the quarter.
