PGI 249.109-7 Settlement by determination.

- (1) Use a Standard Form 30 (SF 30), Amendment of Solicitation/Modification of Contract, to settle a convenience termination by determination—
- (i) When the contractor has lost its right of appeal because it failed to submit a timely settlement proposal; and
- (ii) To confirm the determination when the contractor does not appeal the termination contracting officer's decision.
- (2) The effective date of the SF 30 shall be the same as the date of the letter of determination. Do not assign a supplementary procurement instrument identification number to the letter of determination. Send a copy of the SF 30 to the contractor by certified mail return receipt requested.
