17-6. Ad Hoc Reports

Ad Hoc reports provide the ability for the Army and A/OPCs to access all data elements of the BO, CH and transaction records at any time by allowing the Army A/OPCs, servicing bank, or GSA to create reports in html, Excel, text (ASCII) formats, and/or others as defined by the Army at the task order level. The servicing bank provides the capability for the Army to utilize the ad-hoc reporting functionality of the EAS Systems for any additional future reporting needs that are not listed.
