

5333.105 Protests to the United States Court of Federal Claims (COFC)

The Air Force Commercial Litigation Field Support Center (AF/JACQ) serves as the Department of the Air Force agency counsel to the Department of Justice (DoJ) for protests at the COFC and assists the assigned DoJ attorney in defending Department of the Air Force interests. The contracting officer must inform [AF/JACQ](#) of any notice of protest at the COFC and provide support as requested by AF/JACQ. The contracting officer must also notify the SCO and its supporting legal office/local attorney who provides contract law advice.
