

501.470 Content requirements.

(a) Deviation requests shall include the information in [501.304\(b\)](#) as well as the following information—

- (1) Identification of the type deviation (*i.e.*, an individual or class deviation);
- (2) Identification of which paragraph(s) of FAR 1.401 best categorizes the request;
- (3) Citations to the specific part or parts of the FAR or GSAM from which a deviation is needed;
- (4) The proposed effective period of the deviation; and
- (5) If the request is to support a new acquisition, provide a copy of the draft solicitation and acquisition plan.
