

# 22.404 Construction Wage Rate Requirements statute wage determinations.

The Department of Labor is responsible for issuing wage determinations reflecting prevailing *wages*, including fringe benefits. The wage determinations apply only to those laborers and mechanics employed by a contractor upon the site of the work including drivers who transport to or from the site materials and equipment used in the course of contract operations. Determinations are issued for different types of *construction*, such as building, heavy, highway, and residential (referred to as rate schedules), and apply only to the types of *construction* designated in the determination.
