22.406-4 Apprentices and trainees.

(a) The *contracting officer shall* review the contractor's employment and payment records of *apprentices* and *trainees* made available pursuant to the clause at 52.222-8, Payrolls and Basic Records, to ensure that the contractor has complied with the clause at 52.222-9, *Apprentices* and *Trainees*.

(b) If a contractor has classified employees as *apprentices, trainees,* or helpers without complying with the requirements of the clause at <u>52.222-9</u>, the *contracting officer shall* reject the classification and require the contractor to pay the affected employees at the rates applicable to the classification of the work actually performed.
