41.205 Separate contracts.

- (a) In the absence of an areawide contract or interagency agreement (see $\underline{41.206}$), agencies *shall* acquire utility services by separate contract subject to this part, and subject to agency *contracting* authority.
- (b) If an agency enters into a separate contract, the *contracting officer shall* document the contract file with the following information:
- (1) The number of available suppliers.
- (2) Any special equipment, service reliability, or facility requirements and related costs.
- (3) The utility supplier's rates, connection charges, and termination liability.
- (4) Total estimated contract value (including costs in paragraphs (b)(2) and (3) of this subsection).
- (5) Any technical or special contract terms required.
- (6) Any unusual characteristics of services required.
- (7) The utility's wheeling or transportation policy for utility service.
- (c) If requesting GSA assistance with a separate contract, the *requesting agency shall* furnish the technical and *acquisition* data specified in $\underline{41.205}$ (b), $\underline{41.301}$, and such other data as GSA *may* deem necessary.
- (d) A contract exceeding a 1-year period, but not exceeding tenyears (except pursuant to 41.103), may be justified, and is usually required, where any of the following circumstances exist:
- (1) The Government will obtain lower rates, larger discounts, or more favorable terms and conditions of service.
- (2) A proposed connection charge, termination liability, or any other facilities charge to be paid by the Federal Government will be reduced or eliminated;
- (3) The utility service supplier refuses to render the desired service except under a contract exceeding a 1-year period.
