

5101.603-3-91 Restrictions.

- (a) Personnel in the 1101 job classification series will not be appointed or serve as Contracting officers. This requirement is not subject to an individual or class waiver.
- (b) Commanders and others having administrative supervision over Contracting officers must bear in mind that actions exceeding the authority of a Contracting officer are not binding on the Government. Therefore, they will not direct, or otherwise exert influence, upon Contracting officers to take such actions.
